ALTERNATIVE CREDITS TOWARDS GRADUATION FORM

When the student completes the approved external course from CBHS, he/she will have an official copy of the transcript sent to the Registrar at home school to have the credit posted to his/her transcript. When posted on the student's transcript, the name of the institution, the course title, the grade received, and the credit earned will be noted. Grades earned via external credit will be included in High School GPA. All coursework taken with Calvary Baptist High School Online/Virtual meets California state content standards and the CBHS expectations for content, academic rigor and appropriate level of academic performance.

If you complete an external course without this prior approval, there is NO guarantee that credit from Calvary Baptist High School will be approved.
